

LD TOTAL
QUATTRO ESTATE
 Wharf Street
 Queens Park, Western Australia

DESIGNED BY - BLACKWELL & ASSOCIATES

Nestled in the heart of Queens Park, Quattro Estate's parkland utilises the existing trees on the site to create shade and striking elevation to the Public Open Space. The central area of the elongated POS is fenced to allow children a safe and secure zone which includes playgrounds, a sand pit and extensive grassed areas all sheltered by the magnificent trees and native planting.

The fitness equipment completes the landscaped corridor to create a 'real family feel' which is utilised extensively by the Quattro Estate residents. Parks features include the following;

- Dual use path (Asphalt)
- Limestone seating walls
- Fenced playground area
- Feature Transplanted Trees
- Feature Totem poles
- Paving
- Grassed Areas
- Fitness equipment including rubber softfall
- Native planting
