

# VALE ESTATE

Swan Valley  
Western Australia

DESIGNED BY - EMERGE

Vale Estate is nestled in the heart of the picturesque Swan Valley, which is home to Western Australia's oldest wine region, renowned for its wineries, restaurants and galleries.

The innovative design and construction sees a combination of passive and active Public Open Spaces, where existing Eucalypt and Melaleuca trees were retained throughout the Estate.

Mature trees line the streetscapes, while feature steel arbors, shelters and gatehouses sprawl within the Estate.

Recycled plastic and steel boardwalks coupled with Toodyay stone cladded walls and feature piers make up the Estate centrepiece which is the Vale Town Centre Lake.
